BOSCH USTAADON KA USTAAD

Superior business with exceptional rewards

This programme is for independent truck, tractor, and auto electrical unit workshops.
The programme is applicable to only those workshops that are enrolled with Bosch Ustaadon Ka Ustaad.

Better Business. Bigger Rewards.

Bosch Ustaadon Ka Ustaad is a unique, binding programme for independent tractor, commercial vehicle, and auto electrical workshops. We invite mechanics to benefit from the 100% genuine, superior-quality Bosch parts, engineered with excellence to ensure better business and bigger rewards.

We encourage workshops to purchase products under this programme, which has been designed to recognise and reward workshops' contributions to automotive service. For every purchase, the workshop will be rewarded points which can be redeemed to avail gifts.

Our aim, this year, is to enrol and activate 63,000 organised workshops*. By leveraging the Bosch Strength through our various products and services, including our new product additions to the programme, we enable the enrolled workshops to enhance their business, reach higher point slabs, and win bigger rewards.

*Organised Workshops = Shaded workshops with a minimum of one bay. The programme is applicable to only those workshops that are enrolled with Bosch Ustaadon Ka Ustaad.
